- 3 The students didn't **study** / **studied** a lot of subjects.
- 4 There **was** / **were** a lot of students in a class.
- 5 The teacher **don't** / **didn't** have a computer in the classroom.
- 6 Some children didn't **go** / **went** to school.

2 **Complete using the simple past.**

~~not have~~ wear not send not be write use

Life in 1980

- 1 There weren't a lot of computers and many people ~~...didn't have...~~ cell phones to communicate.
- 2 People emails or texts. Everything was slower.
- 3 In school, there many computers. Often there was only one computer in the library!
- 4 In class the students in notebooks and looked in encyclopedias.
- 5 What clothes the students? Well, they often wore uniforms and teachers were very strict.
- 6 the teacher an interactive whiteboard? No! She used chalk to write on the board.
