Life in 1980

- There weren't a lot of computers and many people *...didn't have...* cell phones to communicate.
- People emails or texts. Everything was slower.
- In school, there many computers. Often there was only one computer in the library!
- In class the students in notebooks and looked in encyclopedias.
- What clothes the students? Well, they often wore uniforms and teachers were very strict.
- the teacher an interactive whiteboard? No! She used chalk to write on the board.
